

# *The Reentry First-Stop Center*

## **“Your First Stop After Incarceration”**

### 1. OUR THEORY OF CHANGE

If *The Reentry First-Stop Center* welcomes home to Tarrant County adults returning from prison, gives them an orientation class, provides them with access to a myriad of free resources spanning the continuum of related services, and provides those who need additional assistance with navigation services...

Then visitors to the center will engage a pro-active process, be able to self-manage their reentry journey, and – with minimal support – be able to successfully reintegrate back into society, breaking the cycle of crime and recidivism.

### 2. MISSION

“The Reentry First-Stop Center exists to provide reentry resource coordination for formerly incarcerated adults and their case managers.”

### 3. STAFFING MODEL

- The First-Stop Director
- Volunteers: Expanding our impact with volunteer Reentry Navigators and Support Staff
- Interns: Working with local colleges to provide social work experiences in reentry
- Partners: Employees of core partners will co-locate at The First-Stop (Workforce, Probation, Parole, etc.)

### 4. FUNCTIONS

The four primary functions of the First-Stop Center are *Welcome, Orientation, Navigation, and Coaching*. In our pilot phase, we are offering the first three, while we seek funding to be able to add robust coaching services in the Center.

A comprehensive Process Flow diagram is included on the back of this page.

### 5. CUSTOMERS

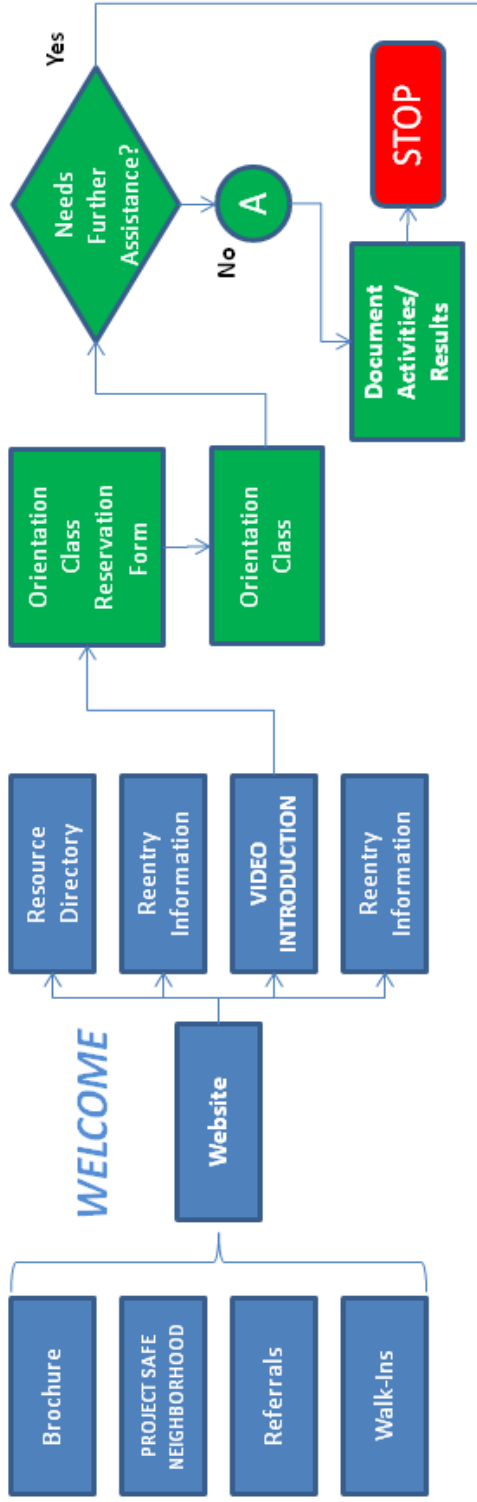

We call our customers “neighbors” and they come to us from the U.S. Probation Office, the Parole Division of the Texas Department of Criminal Justice, Project Safe Neighborhood presentations, and referrals from other agencies and organizations.

### 6. ADDITIONAL INFORMATION

- a. Website: [www.tcreentry.org](http://www.tcreentry.org)
- b. Director: Steve Gordon, (682) 703-1600
- c. Location: The Resource Connection, 2300 Circle Drive, Suite 2301, Fort Worth, Texas 76119.
